

WORLD ENVIRONMENTAL DAY CELEBRATION

On the occasion of World Environment Day, June 5th 2023, a function was organised at Shree RMD Ayurveda college & Hospital. The main purpose of the celebration was to spread awareness about the need to protect the environment & the ways to do it. The event started with Dhanwantari stuti by our final year student Dinal, followed by the lamp lightening ceremony. The function was inaugurated by the Principal, Dr. Rajesh Ratani and Campus director Dr. Yogesh Desai. Principal sir mentioned the importance of plantation & avoiding over usage of plastics in daily life. The increasing e-waste due to addiction to social media & mobiles were also discussed. The students & faculties of at Shree RMD Ayurveda college & Hospital, planted more than 20 saplings in the campus.

Various competitions like E-Poster presentation, Debate and video making competitions were conducted for students. In poster making competition First year BAMS students, Ms. Ayushi Ghoghari secured first, Mr. Pushkar Jane Secured Second and Mr. Jainum Kubavat secured Third position. Ms. Harni patel & Ms. Nandini Valani of first year bagged first & second prize respectively. A brainstorming debate competition was conducted & all the batches actively participated. First year senior batch team consisting of Ms.Anupriya, Ms.Kesha, Ms.Shruthi Thakor & Mr.Trupen were selected as the winners in the debate competition. Prize distribution to winners were done by the faculties.

The programme was successfully concluded with the vote of Thanks by Dr. Yogesh Desai.
