

DEPARTMENT OF KAUMARABHRITYA

SHREE RMD AYURVED COLLEGE AND HOSPITAL

1. INTRODUCTION

Kaumarabhritya is a speciality which deals with care of children under the age of 16 years and diseases specifically affecting this age group. Department provides an excellent academic and clinical learning experience about the disease encountered in neonate, infant and children that will enable students to be competent in child health care.

VISION:

To be a centre of excellence which provides high standards of education in Kaumarabhritya and quality care of children.

MISSION:

- To provide high standards of education in Kaumarabhritya by incorporating lectures by using technological aids and clinical and practical exposure through bedside and other means of learning.
- To provide comprehensive care of neonates, infants and children based on Ayurvedic principles and management of diseases of children through Ayurvedic treatment modalities like Panchakarma
- To provide preventive care through Swarnaprashana, Medhyarasayana etc
- To improve the nutrition, immunity and health of the children
- To provide skillful and need-based comprehensive care to the children in health and sickness.
