

# **DEPARTMENT OF SHALYATANTRA**

## **SHREE RMD AYURVEDIC COLLEGE AND HOSPITAL**

### **1. INTRODUCTION:**

The expression “Shalya Tantra” deals with Shastra Karma i.e. surgery. Ultimately, the subject deals with the application of various Surgical & Para-surgical procedures mentioned in Ayurveda like Rakta-Mokshana (Bloodletting), Agnikarma (Cauterization), Kshar Karma (Local application of plant extract Caustic), etc. The Department performed various Ano-rectal surgeries for various recurrent medical conditions like Fistula-in-Ano, Piles & Fissure-in Ano with a day care stay. The department facilitates separate OPD, IPD for the patient as well as well-equipped Operation Theatre with all updated facilities. The aim of the departments to explore traditional surgical knowledge by thoroughly understanding the texts like Sushruta Samhita to serve the mankind. A practical demonstration of surgical procedures on the patient is carried out for skill full knowledge to the students. Also having OPD attached Minor Operation Theatre for performing various minor surgical procedures (I&D, Suturing, Extraction of Foreign body, KS Insertion, Kshar Karma, Agnikarma, Jalokavacharan, Management of fracture, Wound Dressing, circumcision etc.

### **VISION:**

- To impart quality education in the field of Shalyatantra.
- To give quality education and practical approach to Shalyatantra procedures
- Application of Clinical procedures in day today practice.
- Maintaining of health through Shalyatantra procedures and Shaman Aushadhi.

### **MISSION:**

- To create awareness about Anushastra procedures like Jalauka Avacharana to the society
- Avoid disease recurrences throu procedures like Ksharsutra in fistula-in-ano.
- Prevention of disease through seasonal Raktamokshana.

- Create awareness about handling emergencies in Ayurved by procedures like Agnikarma.
- To treat chronic systemic disorders like ulcerative colitis, IBS and Orthopedic disorders.
