

DEPARTMENT OF AYURVED SAMHITA SIDDHANT
SHREE RMD AYURVEDIC COLLEGE AND HOSPITAL,
WAGALDHARA.

Introduction:

The Department of Ayurved Samhita Siddhant creates a basic infrastructure of conceptual knowledge of all subjects studied in Ayurveda.

This department makes the Ayurveda system easy and explainable as most of the matter is studied related with actual extracting out the information hidden in Sanskrit verses.

Extra classes of Tarka Sangraha Shloka Pathan & each shloka explanation in details with PPT. Regular in classroom / Online teaching and discussions with students.

Vision:

To teach basic Concepts & Principles of Ayurveda from Original Ayurved Samhitas to make fully devoted Physicians with wholesome and complete knowledge of Ayurveda.

Mission:

1. To Study Original Ayurvedic Classical Texts with available commentaries.
2. To understand classical texts of Ayurveda with the help of Tantrayukti and its application in Adhyayana and Adhyapana.
3. To develop interest towards Sanskrit and ancient Indian Philosophical sciences (Darshana Shastras) for understanding and practical implication of Ayurveda,
4. To make aware the students regarding the great heritage of India as far as the ancient medical science is concerned.
5. To guide the students to understand the vital and fundamental concepts of Ayurveda.
6. To impart the faith, love and affection to this ancient science.
7. Teaching by the advanced & interesting means to make the subject and knowledge up to date on scientific parameters.
