## **Thalassemia screening Report**

In an effort to prevent onset of Thalassemia Major, a common generic blood disorder, the Indian Red Cross Society, Gujarat State Branch, which is one of the leading organization in the field of humanity & health services started the biggest humanitarian programme in 2004. Through forwarding Government Resolution from a Principal Secretary to the Governor, dated 27<sup>th</sup> August, 2018.

As per the programme, mandatory screening has been conducted in Shree R.M.D. Ayurved College & Hospital, Vaghaldhara, Valsad, Gujarat, for total 53 students, at a token rate of Rs.150/- per student, on 31st August 2019, Saturday.

The blood samples were collected at Pathology Laboratory of Rog Nidana Department of same hospital, diagnosed at Red Cross Laboratory, Ahmadabad and results were intimated to students. Proper counseling is also been arranged & provided to them.
