

Shree RMD Ayurved College and Hospital

Department of Swasthavritta and Yoga

REPORT OF GUEST LECTURE ON LEPROSY

A guest lecture on leprosy and its control was organized in Shree RMD Ayurved College and Hospital by department of Swasthavritta and Yoga on the morning of 30-11-2022. Dr. Sanjay, District Leprosy Officer, Valsad delivered a lecture on "Leprosy and its control" for the students of third professional B.A.M.S. which included presentation of PPT and demonstrations of various methods of diagnosis of leprosy. Skin lesions in an active case of leprosy were demonstrated to the students. MDT kits, ulcer kits and various supports used for treatment and rehabilitation of various categories of leprosy were demonstrated in the program. Dr. Nimesh Thakor, Vice-principal of the institution was present on the occasion. Dr. Aditya Bhat, Associate Professor and HOD and Dr. Prajakta Karale, Associate Professor, Department of Swasthavritta and Yoga collectively organized the program. 56 students of third professional B.A.M.S. were benefitted by gaining a thorough knowledge of leprosy and its control.
