

Shree RMD Ayurved College and Hospital

Department of Swasthavritta and Yoga

REPORT OF GUEST LECTURE ON LEPROSY

A guest lecture on Leprosy and its control was organized in Shree RMD Ayurved College and Hospital by department of Swasthavritta and Yoga on the morning of 18-10-2021. Dr. Jayashree Chaudhary, District Leprosy Officer, Valsad and Dr. Sanjay participated in the program as resource persons. Dr. Sanjay delivered a lecture on "Leprosy and its control" for the students of third professional B.A.M.S. which included presentation of PPT and demonstrations of various methods of diagnosis of leprosy. Photographs of various presentations of leprosy and MDT kits used for treatment of various categories of leprosy were demonstrated in the program. Dr. Yogesh Desai, Campus Director of the institution along with Dr. Aditya Bhat, Associate Professor and HOD and Dr. Prajakta Karale, Assistant Professor, Department of Swasthavritta and Yoga collectively organized the program. 60 students of third professional B.A.M.S. were thoroughly benefitted by gaining a great knowledge of leprosy and its control.
