

Visit Report of PTSR Department

A visit from our college was arranged on the 9th of August 2019. We have already got prior approval for that. We reached there around 9am. After light breakfast our visit started. The students were divided into two sections. First session started at 10am. Video presentation like normal labor, assisted labor, Surgery of caesarean section were very well explained by Resident doctor. She also answered all the questions which were asked by students at the end. This session was continuing for almost 2 hours. Then we visited gynec & Obs department and mainly labor ward. Resident doctor explained about normal protocol and procedure of labor ward. 2nd batch of students visit started after lunch time. This visit was really very fruitful for 3rd year students. We are really very thankful to Gynec & Obs department of new civil hospital, Surat and also management and principal sir who gave permission for this educational visit.
